

MINISTRY OF WATER AND ENVIRONMENT

DIRECTORATE OF WATER RESOURCES MANAGEMENT

REGISTERED HYDROGEOLOGISTS AND/ OR HYDROGEOLOGICAL CONSULTANTS FOR FINANCIAL YEAR(FY) 2017/2018

TO WHOM IT MAY CONCERN

The general public is informed that all those involved in the business of site investigations for water well drilling and water well (borehole) drilling supervision in Uganda have to apply for **Registration** with the Directorate of Water Resources Management (DWRM) in the Ministry of Water and Environment (MWE), before they embark on those activities. Registration will be done annually (1st July to 30th June) after submitting an application to the Director, DWRM and meeting all requirements for engaging in Groundwater projects in Uganda. The following is therefore a list of individuals and firms registered to operate in the period 1st July 2017 to 30th June 2018

Category: Junior Hydrogeologists

| Code | Name |
|----------|----------------------------------|

| E36/2017 | WADAMBA OTHAMBER SYLIVER |

All organisations and institutions involved in groundwater development and management are informed that effective 1st July 2017, it is an official requirement to engage only registered individuals and/ or firms for groundwater related contracts.

The general public is therefore urged to report to police or to the Directorate of Water Resources Management, anybody that is involved in the above activities without a valid registration certificate

For more information, clarifications or reporting of non-registered hydrogeological consultants, please contact:

Director, Directorate of Water Resources Management
