

MINISTRY OF WATER AND ENVIRONMENT

THE 1ST EVER UGANDA WATER AND ENVIRONMENT WEEK 2018 DIRECTORATE OF WATER RESOURCES MANAGEMENT (DWRM), MWE, ENTEBBE 17-23 March 2018

The Ministry of Water and Environment in collaboration with key Partners plans to hold the first ever Uganda Water and Environment Week (UWEWK) 2018 that will bring together key stakeholders in the Water and Environment sector to discuss strategic issues regarding the contribution of water and environment resources to the development of Uganda. The theme for the 1st ever Uganda Water and Environment Week 2018 is, ***“Water and Environment a catalyst for achieving Middle Income Status 2020”***. The overall goal is to contribute to the national development goals through effective management of water and environment resources and distribution for sustainable socio-economic development of Uganda. The event will provide an opportunity for exposure and exchange of views, experiences, practices as well as benchmarking among scientific, business, policy and civic communities. The week will also host the commemoration of three important International Days: World Forest Day on 21st March, World Water Day on 22nd March and World Meteorological Day on 23rd March 2018.

The Week’s event includes the following activities;

1. Kampala cleaning -17th March
2. Water and environment run 18th March
3. National conference that will be held from 21st to 23rd March 2018. It will focus on the following sub themes;
 - Integrated water resources management;
 - Water and sanitation development;
 - Wastewater and pollution management;
 - Environment and natural resources;
 - Sustainable forest management
 - Weather and Climate Change
 - Water – energy - food - ecosystem nexus; and
 - Stakeholder engagement and water and environment sector financing.
4. Applied Training sessions to be hosted at the Water Resources Institute headquarters in Entebbe
5. Commemoration of the 3 important International days
6. Field visit to a number of sites in Kampala and the surrounding districts
